ACADEMIC PROJECTS

- **Community Services Website**
- **Role:** Front-end-developer
- **Contribution:** We had created this website as part of our academic course design engineering. This website is useful for finding Community Services as like carpenters, plumber, blacksmith etc. we provide Contact details, user's reviews and cost of each services for user. We use "wamp server" as a server.

- **Technical event Website**
- **Role:** Front-end-developer
- **Contribution:** We create a website which provide our technical event's detail

- **Mini Projects**
- Here are multiple projects which was made for learning purpose, which links are put on website: <https://github.com/Anandvlog>

EXPERIENCE

- **Experience**
6 months experience as a **Jr. front-end developer** in Goldenmace IT solutions

COMPLETED COURSES

- **Java Courses**
Obtained the complete knowledge of Java by completing the courses "Learn to Program in Java" and "Object Oriented Programming with Java" by Top Technology Vadodara.

EXTRA- CURRICULAR ACTIVITIES

- **Active Volunteer member at Change Vadodara Campaign(CVC).**
- **Graphics Volunteer for the college level tech fest-Aavishkar2k18.**
- **I did 6 months of internship on Java Development in Top technology in Vadodara.**
